

Z'Tejas Bodega: Grocery Packs Now Available!

We are excited to announce that Z'Tejas now has a variety of grocery packs available for purchase for our community! Customers can choose from multiple options, all of which are available for curbside pick-up or delivery to your door. Every grocery pack also comes with **two free rolls of toilet paper**. Our goal is to do our part to help reduce the number of grocery store visits and, in turn, the amount of physical contact with others during this time. Every pack gives a job, thank you for your contribution!

Buy One, Give One.

Customers also have the option to buy one for themselves and donate another one to a family in need. We are happy to deliver this grocery pack to the recipient. It is important to Z'Tejas that we match your generosity because we are all in this together! It's all about the Loop Of Love!
